Notice

This is to notify that the Department of Drug Administration has implemented online drug product registration system through Drug Administration and Management System (DAMS). The renewal of the products registered with the Department (Schedule 4 E and Schedule 7) will be through DAMS online system effective from 2073/03/01 (15th July 2016). All the importers and concerned foreign manufacturer are requested to update their licenses with product details through online database before initiating the renewal process.
